

Ostomy Protective Powder

ReliaMed® products offer a wide variety of choices, and are manufactured with a focus on quality — at a value that's hard to ignore.

ReliaMed® Ostomy Protective Powder

- Pectin based
- Protects irritated skin around the stoma
- Increases wear time
- Absorbs moisture
- Convenient squeeze bottle provides easy puffing of powder to skin
- Should be used sparingly
- Transparent bottle allows visualization of contents
- Made in the USA
