

Ostomy Deodorants and Appliance Cleaner

ReliaMed® products offer a wide variety of choices, and are manufactured with a focus on quality — at a value that's hard to ignore.

ReliaMed® Odor Eliminator Drops

- Powerful formula provides hours of odor protection
- Convenient to use; place a few drops into the pouch prior to attachment
- Blue color provides a visual indication of surface coverage
- Made in the USA

ReliaMed® Lubricating Deodorant

- Combines odor control with lubrication to facilitate drainable pouch cleansing
- Blue color provides a visual indication of surface coverage

ReliaMed® Ostomy and Urostomy Appliance Cleaner

- Cleans and deodorizes
- Add a tablespoon in appliance or a container. Add warm water and soak for 20 – 30 minutes, then rinse with water.
- Made in the USA
