

AMORPHOUS HYDROGEL

ReliaMed® products offer a wide variety of choices, and are manufactured with a focus on quality — at a value that's hard to ignore.

AMORPHOUS HYDROGEL

- Sold by 3-oz. (85-g) tube
- Aloe vera and glycerin moisturize the wound
- Allows visualization of the wound
- Promotes autolytic debridement
- Nontoxic to healthy tissue

Instructions: Flush wound with a wound cleanser. Apply ReliaMed® Amorphous Hydrogel to the wound approximately ¼ in. thick. Apply a secondary dressing to help maintain a moist wound environment.
