

# HYDROCOLLOID DRESSINGS

ReliaMed® products offer a wide variety of choices, and are manufactured with a focus on quality — at a value that's hard to ignore.

## HYDROCOLLOID DRESSINGS

- State-of-the-art hydrocolloid formulation effectively absorbs wound exudate; resulting in cleaner, less painful and easier-to-care-for wounds
- Uniquely smooth, low friction film backing reduces shear forces that can contribute to skin tearing
- Dressing adhesive qualities provide secure bonding to skin allowing your patients to bathe normally
- Beveled edges minimize edge lift
